- 4) number of students,
- 5) estimated percent of U.S. studies content.

19. Current Student Advising: advising is not the same as teaching. We are looking for the number of students, their level, and hours you spend providing assistance in helping students clarifying personal and career goals, and evaluating progress towards those goals. This section can also include those that supervise PhD and graduate students. Please include info in the below table (add more rows if needed).

Number of students advised studying U.S. related topics	Level of students	Hours of advising per student per year

20. Other Potential Outcomes - Please select all of the likely potential outcomes that might result from your participation in this program:

- 1) Update Existing Course; 2) Create New Course; 3) Create New Degree Program; 4) University Curriculum Redesign; 5) National Curriculum Redesign; 6) New Research Project; 7) New Publication; 8) Professional Promotion; 9) Government or Ministry Policy; 10) New Professional Organization; 11) New Institutional Linkages; 12) Raise Institutional Profile.

21. Personal Essay (up to 250 words)

Please discuss why you are interested in participating in the Institute. What do you expect to gain? What will you contribute to Institute? How your participation would enhance your personal and professional goals, the current state of US studies in your home country, or upon

the Institute. Include how attending this Institute would help you achieve the "Other Potential Outcomes" you have checked above. The essay should describe your capacity to amplify the impact of the program beyond your research and knowledge.

Thank you.
